***New rules for Five Pin Bowling...continued from Decembers rules.***

1. When you leave the 2-pin and you know you can't make the spare, but another member of your team can, invoke the "Designated Bowler" rule.
2. After you have 4 headpins in one game, you may say "Kings X" and take those 4 frames over. However, if you hit headpins the 2nd time around, you accept it. After all, "Fair is Fair".
3. If your ball goes in the gutter and jumps back onto the lane, knocking down pins, by golly, you get them! That's much harder than to knock them down the conventional way. Good bowling should be recognized.
